

I do not listen to Commercial radio, there are too many commercials, and I do not want to have to listen to Regional news all of the time. I enjoy listening to what is going on in the United States of America. In fact with the fight against Terrorism, it is more important for me to listen to CNN, MSNBC, FOX, America Left, ABC Radio, CNN Headline News, etc.

I also enjoy listening to the weather and traffic updates that are more comprehensive than what we get over the regular local stations.

I enjoy listening to ESPN Radio, ESPN News, FOX Sports, The Sporting News, and the other countless music stations.

I implore upon you, to not infringe upon our rights to pay for a service that we want.

Thanks.
